ETHICS: HONESTY AND COMMON SENSE

AKC judges possess and project a commitment to integrity and ethical behavior that insures the reputation of AKC dog shows as fair and well judged. With common sense, judges can easily avoid situations which might raise ethical questions.

Judges and exhibitors are honest, competent and dedicated. Nevertheless, it is possible to find yourself in an uncomfortable or inappropriate situation. These guidelines cannot address every situation; however it can help you avoid improprieties perceived or otherwise.

Obviously, some rules, policies and guidelines are clear. For example:

1) Judges should advise potential exhibitors not to enter under you when their presence or the presence of their dogs might give the impression of unfair advantage. Examples include but are not limited to:

...your employer or an employee.

...a relative.

...a person with whom you co-own dogs.

...a person with whom you co-breed dogs.

...a person with whom you travel to dog shows.

2) Exhibitors should not enter under a judge when their presence or the presence of their dogs might give the impression of unfair advantage. Examples include but are not limited to:

...your employer or an employee.

...a relative.

...a person with whom you co-own dogs.

...a person with whom you co-breed dogs.

...a person with whom you travel to dog shows.

3) *No entry shall be made at any show under a judge of any dog which said judge or any member of his immediate household or immediate family has been known to have owned, handled in the ring more than twice, sold, held under lease or boarded within one year prior to the date of the show. These are only examples. The key is to avoid all situations that are likely to give the impression of impropriety. You must do everything possible to keep your reputation above reproach.*

A HANDY RULE OF THUMB

There will always be “gray areas” that perplex judges and exhibitors. When faced with such a dilemma, ask yourself whether the situation, however innocent, projects an outward appearance of impropriety. A good rule of thumb is:

If you have concerns about whether something is inappropriate, you probably should avoid the situation.

Classes for Dogs and Bitches

Veteran 6 yrs & under 8 yrs • Veteran 8 yrs & under 10 yrs • Veteran 10 yrs & over

Non-Regular Classes Involving Multiple Dog Entries

NOTE: As the judge's decision in the Stud Dog, Brood Bitch, Brace, and Team Classes is based upon the merits of more than one dog or bitch, no one of the dogs or bitches making up the entry judged first in these classes will be eligible to compete for Best of Breed by virtue of having won in these classes.

STUD DOG CLASS - For Stud Dogs and two of their Get. It is not necessary that the Get be under the same ownership as that of the Stud Dog. The Stud Dog may be entered separately in one of the Regular or Non-Regular Classes or if a Champion of Record, for Best of Breed/Variety Competition or may be entered for Stud Dog Class only at the regular entry fee. The Get **MUST** be entered in one of the Regular or Non-Regular Classes. The Stud Dog unit shall be considered as one entry and requires only one entry fee. The Stud Dog must be entered in the Stud Dog Class and shown in the ring with their Get. Get only to be judged on the merits of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under AKC Rules Applying to Dog Shows, AKC Policy or Standard for the Breed.

BROOD BITCH CLASS - same as for the stud dog except substitute brood bitch for stud dog and produce for get.

NOTE: Chapter 11, Section 8, AKC Rules Applying to Dog Shows provides that castrated males may be entered as Stud Dog and spayed females may be entered as Brood Bitch.

BRACE CLASS (National Only)- Two dogs of the same recognized breed or variety that are similar in appearance, performing in unison, and presented by a maximum of two handlers. Both dogs in the Brace must have at least one common owner. Dogs comprising a Brace must be named at the time of entry. If a dog which is to be part of a Brace is **NOT ENTERED** in another class at this show, it must be entered for "BRACE CLASS ONLY". In making entries for "Brace Class Only", full particulars must be given on an Official AKC Entry Form. If the dog is entered in another class, Brace must be marked as an "Additional Class". If more than one Brace is entered by an individual owner, please designate dogs comprising each Brace as "Brace # 1", "Brace # 2", etc.

TEAM CLASS (National Only) - A team is defined as four dogs of the same recognized breed or variety that are similar in appearance, performing in unison, and presented by a maximum of four handlers. All dogs competing in team competition must have at least one common owner. The dogs comprising a Team **MUST** be named at the time of entry. If a dog which is to be part of a Team is not entered in any of the Regular Classes or for "Best of Breed Competition," it must be entered for "Team Only". In making entries for "Team Only" full particulars must be given for each dog on individual regular entry forms. An entry for a dog entered in a Regular Class or for "Best of Breed Competition" and entered as a part of a Team **MUST** be marked accordingly in the space provided for Additional Classes - Team Class. If more than one Team is entered by the same owner, the dogs comprising **EACH** Team must be so designated "Team No. 1", "Team No. 2", etc.

PURPOSE

The purpose of the MCOA Futurity and Maturity is to encourage the breeding of the best possible Mastiffs, reward diligent MCOA breeders for their efforts, recognize the owners for selecting the best quality puppies from responsible breeders, and reward the owners and breeders for raising and developing the inherited qualities of the puppy.

In nominating a litter for the Futurity, MCOA members are casting their vote of confidence in their breeding decisions and indicating their commitment to improving the quality of our mastiffs.

In addition, the Maturity Stakes not only provide Futurity-nominated puppies with an additional opportunity to compete but also gives those unable to participate in a futurity the chance to compete during the next National Specialty in the Maturity stakes.

Canine Good Citizen, CGC/CGCA and Therapy Dog International Tests

Tester: Becky Campbell

The AKC's Canine Good Citizen® (CGC) Program, started in 1989, is a certification program that is designed to reward dogs who have good manners at home and in the community. The Canine Good Citizen Program is a two-part program that stresses responsible pet ownership for owners and basic good manners for dogs. All dogs who pass the 10-step CGC test may receive a certificate from the American Kennel Club. Both purebred and mixed breed dogs are eligible for the certificate. See www.akc.org/events/cgc for more information.

TDI's canine membership includes both purebred dogs and mixed breed dogs. All dogs are tested and evaluated for Therapy Dog work by Certified TDI Evaluators. The TDI test is based upon the AKC's CGC test, and also includes the evaluation of the dog's behavior around people with the use of some type of service equipment (wheelchairs, crutches, etc.). See www.tdi-dog.org for more information.

AKC Community Canine—CGCA

The AKC Community Canine is the advanced level of the Canine Good Citizen Program. As with CGC, the AKC Community Canine has a 10-step test of skills that dogs must pass to earn the official AKC Community Canine Title. This is a title that appears on the dog's title record at AKC.

The Canine Good Citizen tests are simulation of real world skills. The AKC Community Canine is to test the dog's skills in a natural setting.

To earn the AKC Community title, dogs must meet the following two requirements:

Must already have a Canine Good Citizen Title on record at AKC.

Must have an AKC number. (AKC registration, PAL number or AKC partners number).

The test requirements can be reviewed by going to the AKC site.

Testing will be performed by Becky Campbell. The CGC/CGCA/TDI test is usually given as a combined test, meaning that you are being tested for BOTH CGC and TDI certification. You may elect to do just CGC or modifications will be added to the test to qualify for Therapy Dog Certification. A dog must be at least one year old to be tested for TDI and must pass the CGC. If the dog has previously passed the CGC, then proof must be provided before the TDI test can be given. If you have any questions, please contact Becky Campbell at bjccle@aol.com.

Your dog must be wearing a well-fitted buckle collar (no chain or prong collars) to participate in the testing.

Entry fee is \$15.00 for CGC & CGC-A or \$25.00 for CGC or CGC-A with TDI modifications.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
